Message from Grand Knight

Dear Sponsors, Golfers and Volunteers,

As the Grand Knight of KC Council 12989 I would like to thank all that have supported this charitable event over the years. Without your contributions and effort we would not be in a financial position to provide the support that we currently do to the hundreds of men, women and children throughout our community.

There are lots of folks that depend on our support and we are counting on your support so we can continue to generate the funds needed to support our charitable endeavors.

I also would like to welcome individuals that may be new to this event to please take time and review the "About Us" section of this brochure. You will get a good understanding of the types of charitable works that we perform. What may not be as evident are the volunteer hours that our members contribute each year. I am proud to say that we typically log over 10,000 volunteer hours per year. I feel confident that you will decide that your sponsorship of this event is warranted.

God bless, Mike Bardin, Grand Knight
Also a special shoutout to our
2025 Ace Sponsors

HIGHLIGHTS FROM LAST YEAR

Thanks to our 2025 sponsors, golfers, prize donors and volunteers that help make last year's

tournament our most successful in its long history. Also, kudos to Royal Golf Club for providing an excellent venue. With such great success we plan to duplicate this performance by providing great food, beverages and prizes! We are hopeful to have Hooters for lunch as their wings were amazingly delicious and the other great foods and drinks from the below vendors were equally yummy. Kastner Electric also provided a little extra kick with their specialty adult beverages.

The golf was over but not the fun, as there were over 100 prizes given to lucky golfers as well for the 1st, 2nd & 3rd place, closest-to-hole, longest drive add putting contest winners.
